TEAM LITZEN

CONCORDIA STADIUM 7200 SHERBROOKE ST. W.

2019 Honorary Chairman

Paul Chesser

Vice-President, Advancement
Concordia University

Paul Chesser has a long-running connection to Concordia University and the Montreal Shrine Bowl.

The former star football player represented the Concordia Stingers in five Shrine Bowls between 1989 and 1993. He wrapped up his stellar university football career with several awards including being named the outstanding lineman in the country.

The North Bay, Ont. native went onto a successful career in fundraising spanning more than 20 years across universities in Eastern Ontario and Quebec. He returned to his alma mater and assumed his new duties in December of 2018.

KING

Ulrik – 11 years old

I have an amputation on my right arm. I have been playing football for two years now and I am in Peewee. My positions in football are offensive and defensive line. In 2018, during our final football match, we played against the Jaguars, and I caught the ball from the kickoff! I might not have made a touchdown, but it was still a great accomplishment for me! I love swimming, exercising and now I can bike. With an amputee, you can do anything, sports, draw, exercise and so much more. I am a creator. I love to draw, paint and make my own comic books. Most of all I enjoy creating from my own ideas.

QUEEN

Stiliana – 9 years old

Stiliana was born missing her right hand, but this has never stopped her from doing any of the things she loves. She also has scoliosis and wears a night brace like a warrior. She never complains! Her family is so grateful for the Shriners Hospital and has been coming here since she was born.

Stiliana loves to dance. She has been figure skating since she was four years old and takes piano and vocal lessons. She also loves basketball and going on vacation with her family! But music is her number one thing.
